

# FINALLY...

the  
**PortaSCC**<sup>®</sup>  
milk test

...an affordable, quantitative  
**on-farm somatic cell test**  
for sub-clinical mastitis screening.

It's easy to use and provides accuracy similar to labs, but in minutes, not days.

**It is going to change the way you fight this money-robbing disease.**

**Four  
Lakes**

Suppliers of Quality Dairy Herd Management Products

**PortaCheck**  
A Division of PortaScience Inc.

Available through WWS-SA Area Representatives and designated Distributors.
